April!!! Warmer Weather is almost here, Then we will hear it is just too "H O T" to ride our Motorcycles!!

If, I along with many other GWRRA Members waited for the perfect weather we would only ride 2 or 3 months out of 12. Most of us ride all year round. So our Motorcycle's are more road ready than the Motorcycle's that didn't get ridden all year. That is because we are performing more **TCLOCKS** on our Motorcycles keeping them safe and costing us more money to keep them road ready than others that don't ride theirs all year. That draw back or factor we understand we must pay to play.....

If your Motorcycle falls in the category of not being ridden every month please do a TCLOCK before getting on the road and the keep performing them every time you ride. I talk about TCLOCKS every year about this time of year. Just to remind everyone to look at your Motorcycle before you want to ride it! Like others along with myself ride with a loved one!

Anything can and will happen just don't help ANYTHING come early! TCLOCKS along with Motorcycle RIDER Training H E L P keep ANYTHING at bay!

Visit US, We Do Visit You !!!!!

I learned that from my Diddy Bobby Manning. Oh I do have so much FUN with that man!!!!!!

Candis Medlin

Well, having every Saturday and Sunday off was short lived. Work changes again puts me back working most everyday, just shorter hours each day. I'll be riding when I can.

Let's Ride – for fun, for fellowship and keep safety on the top of your list.....

Hold On To Your Hats, March has come in like a lion. The days are getting longer and we will be going to daylight savings time. Don't forget to run your clocks forward to get the most riding out of the coming days. The year 2018 is moving really fast. WOTS will be here before you know it. Just think about it, in only 6 months we will have one of the best rallies around. We now have registration on line on the District web page. You can fill-in or print and share. Let's don't forget about the logo contest. It ends April 20, 2018 and the theme is "It's A Jungle Out There". You do not have to be an artist to participate. Any idea you have, put it on paper. It does not matter if you make stick people and stickers, we will handle it from there. Just think, YOU could win \$100 and 2019 registration.

With the weather warming up, many chapters are beginning to hold their annual Fun raisers. Go and join in on the fun at these events. Remember, if you go and help support others, they will come and support you. Not only are the "chapter" events beginning, but there are a lot of other "Districts" having rallies. We encourage everyone to get out and support as many of these as you can also. When you do visit, invite everyone to join us at WOTS and that will make our rally more grand. March is a busy month. Cindy and I will be supporting H-2 Durham, Swap Meet in Mebane, the Florida District Rally and the NC District Ice Cream Ride. We would like to invite everyone to join us on these rides because there is more fun with large numbers.

If your chapter is considering an event or fun raiser, make sure you contact your ADD to secure the date. Once your flyer is done, present that to your ADD also for verification of accuracy, you must have the disclaimer on your flyer. Even though the District is divided into three areas, we still try not to book events on top of each other. The reason for this is, the District Team tries to attend them all because the entire Team is available to ALL the members as well we wish to promote visitation across the entire District.

Now, let's talk plaques. What I hear is the plaques are on the move, some more than other. These plaques were put into place so chapters can get out together and visit. You can use them to promote your fun raiser event or just increase your gathering attendance. We would like to see them move as much as possible because this shows the camaraderie within the GWRRA family. Each time you capture the plaque, you get closer and closer to winning money for your chapter. Be a WOOD CHASER and enjoy the ride.
